To Col. Grogan:

Jill, Mr. Dulles' secretary, was referred to this office by Chris. Jill said that Mr. Dulles would like to have 20 more copies made up of a photograph which Mr. Karsh had taken.

Jill understands that since Mr. Dulles is no longer with the Agency, the print can not be reproduced. Jill said that she was willing to write Karsh or do whatever was necessary to get more prints. She said that Mr. Dulles will pay for them.

She wanted to know if you knew anything more about this. Also would like Karsh's address.

I returned call of [redacted] AWD's secy, to ask her: which of the 4 shots does Mr. Dulles want? She knows only of one--an "oval" shaped ~~picture~~ picture on a rectangular shaped print. She will send over a sample--a damaged copy from Mr. ~~Dulles~~ Dulles' files. I said I would take it up with Col. Grogan.

She said that Mr. Dulles will be moving to his home next Friday, and thenceforth can be reached there.

Mr. Dulles called to tell you, in further ref to his secy's request of yesterday (attached), for 20 add'l copies of the Karsh portrait: -

- (1) That the extra copies are primarily for Agency personnel.
- (2) That he would be glad to pay for them.
- (3) That he would like, if possible, to have the copyright signed over to him, for future use.

He said he could wait for your return. I did not tell him that a duplicate negative is in the over

possession of TSS [redacted] 25X1A, nor have I
verified with ~~the~~ TSS,
